Dear Cousin:

As you may know, we are writing Volume III of The Merwin Family in North America which is an updating of the family entries in Vol. II.

I have written to both of your brothers and received no reply. Then I wrote your mother at 39 Chestnut St., Port Jervis NY 12771. That letter came back as undeliverable by the post office.

Will you please give me your mother's current address? I hope she is well. She was always interested in the Merwin genealogy.

In Vol. II you were listed as married to Herbert Jay Ratner. Do you now have children? If so, please give me dates of birth and places of birth. Also, if you would like a brief biography of both you and your husband in Vol. III, give me the data along the lines suggested here.

May I have your brother Thomas' telephone number? The phone strike has prevented me from obtaining it from Directory Assistance. Does he still live at RD3, Box 180, Port Jervis NY 12771?

Incidentally, when I was getting your phone number from Directory Assistance, I learned there is a Paul Merwin (624-0338) in Brooklyn. Do you know him? Would you look in the phone book and give me his

address?

Best regards,

Merwyn

We are writing Volume III of The Merwin Family in North America and I need your help in getting in touch with your mother, sister Eileen, and brother Patrick. Apparently they have all changed their addresses since we last contacted them.

Enclosed is a draft of your family entry as we now have it. Will you please give me any needed corrections or additions? Also, we would like a brief biography of both you and Julie as outlined below.

You assistance will be much appreciated.

Dear Jim:

Your father sent me the family record sheet you completed. Well done.

Just one question. You said you served in the U.S. Army Air Force. Did you mean Army? I was drafted into the U.S. Army Air Force in 1942 but the name was changed to U S Air Force later. I know, too, the Army does have spotter planes, etc.

We would be pleased to have you join our association. The annual dues are only $2.00 (check payable to Miles Merwin Assn.). Enclosed is a sample copy of our newsletter Milestones which is sent periodically to members.

Sincerely,

Merwyn

Dear Frank:

Many thanks for the family record sheets you sent me. They were well done.

I have just one question on yours. Was the disability which caused your retirement service connected?

I'm also interested in your Air Force service since I, too, was in the Air Force at that time. I was in the 15th AF in North Africa & Italy — served as a Medic.

We would be pleased to have you as a member of our association. Enclosed is a sample copy of Milestones our newsletter. Annual dues are only $2.00 (check payable to Miles Merwin Assn.).

Dear Mr. Buchanan,

First let me take this opportunity to tell you how much my family has enjoyed the genealogy. I can appreciate the dedication and research that must have gone into its preparation.

Here is the information you requested: Herbert graduated from the University of Oregon in June of 79. Since I still have a few odd credits to complete, I will not have "officially" graduated until June, 81.

Enclosed is the $2.00 dues. We would be glad to be members of the association. Thank you again.

Sincerely,

Dear Mr. Buchanan

Just a note to let you know there is a new Merwin. Our daughter Margaret, gave birth to a beautiful son on Jan 14, 1992. He is named Robert James Tabor. You have the information re her 2nd marriage to William Tabor, I am sure. They intend calling the little one Robb after my grandmother whose maiden name was Elizabeth Robb (Graham-married).

We enjoy Milestones – soon to be #100.

Sometime when you have the time would you let me know if any of our children have sent in their dues. I'm sure the neglect is because of their lack of follow-through, not intentional.

Dear Cousin:

We are in the process of preparing the manuscript for Volume III of The Merwin Family in North America.

Enclosed is your family entry as we now have it. Please fill this out and return it to me. Also, fill out a brief biography of yourself and husband as suggested below.

Since you were born a Merwin, you will be included in Volume III without question. You need not be a member of our Association. However, we would be pleased to have you join to support our efforts and be informed of the doings of Merwins around the globe. Use the enclosed dues form to join.

Best regards,

My dear Mr. Buchanan -

There have been two happenings in our family recently - one good and one sad!

R 300 II 5340 ⑪

5340 First - our daughter Margaret May Merwin married William Paul Tabor in Vacaville Ca on July 22, 1989. Both are teachers, she of 6th grade and he of instrumental music. Both are active in community musicals and symphony.

Second - 301 II 4304

4304 ⑩ Arthur G. Anthonsen, husband of Constance Merwin Anthonsen died suddenly in Huntington Long Island of a pulmonary embolism. Besides his wife he leaves 3 children - Douglas H. Jane and Debbie. Arthur and Constance had flown to Tucson to drive with us to our daughter's

Dear Elizabeth:

Thank you for your letter daqted 8 March 1989.

I think the son who is interested in obtaining an authentic Merwin crest is James. He wrote me and I sent him a copy of the crest I have in my file. I explained to him there is no official Merwin crest offered by the Association for the simple reason that 99% of such things are phony. A crest was given to a single person for aid to the crown. It was not hereditary - did not pass on to heirs. However, some people like them for decorative purposes. If you wish a copy, I would be happy to send you one.

Incidentally, James promised to join our Association in return for the expense we incurred in copying and mailing the crest he wanted for the design of a ring. He has not joined. Perhaps you will mention it to him when the opportunity arises.

Yes, we are aware of Lake Merwin. We put a couple of articles in Milestones about that incident as well as mentioning Lake Merwin when the mountain nearby erupted. It is quite near that mountain. I can not think of its name at the moment.

Have no knowledge of the Merwyns stores.

I appreciate your good words about my efforts to do the work of the Association. It is enjoyable, but time-consuming.

Dear Mr. Buchanan,

One of our sons wondered if there is a Merwin crest. We have all received advertisements from some woman who claims to have researched many different families. However, we would be interested in a legitmate rendering if one is available.

Tonight ~~on~~ a TV program "Unsolved Mysteries" there was the story of a Mr. Cooper who jumped from a plane seventeen years ago near Portland Washington and they showed on the screen a lake called "Lake Merwin". I hadn't heard of that before and wondered if you had.

Also we have stores in

Arizona and California called "Mervyns". One of the employees told me originally the owners name was Merwin but some-how I'm not convinced of that.

Thank you for your work and concern. We do appreciate all you do!

Dear Cousin:

Thank you for your thoughtful letter of November 16th.

Enclosed is a copy of a letter I have written to track down the granddaughter of the Crofut you found in Beaufort. To my knowledge, we have never had a Crofut as a member.

You said you were thinking of sending in membership for your children. Don't feel you must do that. Neither of my children belong. I guess because genealogy is Dad's thing. I do not feel obliged to pay my children's way. Perhaps when they get older they will be more interested. As far as having your childrens' entries in MFNA III is concerned, they will be in it since they were born Merwins. The only problem that will arise is with Martha's children when they marry and have children. They would then be required to be members to have their children in the book.

If you would be kind enough to inform me of any major change in the families of your children, I would appreciate it and make the necessary changes in their entries. That includes changes of address, births, marriages etc.

I shall add in James' entry that he divorced his second wife.

Dear Mr Buchanan,

We received the address list today and are grateful for it.

My husband and I just returned from a trip which included Beaufort, S. Carolina. We visited a church there on the tour. It was St Helena Episcopal Church. As we were leaving by the front gate we noted a large tomb-stone with

JAMES MERWIN
CROFUT
1915

Since James is one of our son's names it caught our attention. The guide said that the grand-

daughter still lives in
Beaufort and she believed they
were also related to a "Sam" family

I did not see this name in
the Genealogy but did find a
"Crofut" family once noted - many
years ago

I was simply curious to
know if this was a member
of the Merwins in North America.

Thank you for all
your interest. I discon-
tinued sending in the
memberships for our 4
children and I note only
one (Margaret Merwin) has
kept up the membership.

Sincerely yours,

Elizabeth G. Merwin

Dear Cousin:

Enclosed is the typed draft of your family entry for the Supplement we are writing to the Merwin Family in North America. Since we are starting to prepare the final manuscript for the printer, please review the enclosure carefully for accuracy. Make any needed correction on the enclosure and return it to the writer.

Some entries lack interesting information on the family head. For example, where he/she attended school, year graduated, degrees earned (name of school and city of location); occupation and employer; military service (dates, grade or rank, branch of service); civic or church service. We will be pleased to include information of this type which you furnish.

Your reply must be received by the writer by September 30, 1982, or we shall assume your entry is satisfactory as drafted.

Dear Mrs. Merwin:

Thank you for your letter of May 15th.

Congratulations on the birth of your granddaughter.

Your daughter Martha is the only one of your children who is currently a member in good standing. Your son Robert William was dropped from the roll for non-payment of dues. By copy of this letter, I'm asking Gaius Merwin to let you know what payment will be necessary to reinstate Robert.

The dues for Margaret and James Graham Merwin as new members are $5.00 per year each. Payment will cover them until June 1, 1983.

I have updated the Supplement entry for Megan and a notice of her birth will be in the next issue of Milestones.

Dear Reverend Merwin:

Anything I dislike is an unfinished job. For this reason, I'm asking for your help in completing the entries for three of your children. Although James, Robert and Martha replied to me, there are just these missing items which they have not supplied.

✓ Martha - where was she married? (city + state) n. Hollywood Calif

✓ James - where was he married? (city + state) Inglewood

What was the date of Donna Jones' birth and in what city + state was she born?

July 16 - Berkeley
1951

Robert - what is Nancy Madigan's father's name? What is the name (include maiden name) of her mother? What is Nancy's date + place (city + state) of birth? I'd like a short biography of Robert - schools, degrees, occupation, employer; civic, church or military service, etc.

Richard Madigan
Jean Louise
Richards

Now that is really all I need to know to complete your childrens' entries. May I have your help? They have not answered by letters.

Best regards,

Merwyn

Dear Cousin:

Thank you for the family information you recently sent me. There are one or two remaining problems as indicated by the checkmark below:

(X) Missing bit of information:

Robert William" Merwin's address.

( ) A short biography is needed. Include schools attended, degrees earned, occupation, military service, civic or church service, etc. (Give full name and location of schools; indicate date(s) of graduation, military service; grades or ranks held; names of companies where employed).

( ) We urged your membership in our association in an earlier letter. Have you sent in your dues? Yes, you will be in the supplement whether you join us or not because you were born a Merwin, but we hope you will give us your support. (Annual dues are $2.00 payable to Miles Merwin Assn.).

The Miles Merwin (1623-1697) Association, Inc. is preparing a supplement to The Merwin Family in North America which was published in 1978.

Errors are made in all family genealogies and despite our best efforts, we realize that ours contains some faults. Although the main purpose of the planned supplement is to carry the published work to the eleventh, twelfth and thirteenth generations, we shall include a section for corrections of and additions to the first ten generations.

Accordingly, we ask you to review the genealogy of your line and, using the enclosed form, give us any revision you find necessary. Please send your reply to:

I am very sorry I did not reply but I understood a reply was only if there was a change in the family status.

There have been no additions or depletions in my family since the last Volume. The only error is the address on this letter & envelope - instead of #3 Huntington Bay Rd it is 83 Huntington Bay Rd.!

Thank you & I'm sorry to cause you this extra work -

Dear Cousin:

As you may know, we are in the process of updating family entries with the view to preparing Volume III of The Merwin Family in North America.

All members of the Association of the eleventh generation will have an opportunity to update their family entry and have the update included in Volume III. This includes the names and birth dates of your children. If, however, your children wish to have their wife and children in Volume III, they must become members of the Association. Will you please check with each of your children and, if they are interested in having their families in Volume III, ask them to send me a check for $10 payable to Miles Merwin Assn. for annual dues. I shall then contact them for information.

Please look at you entry in Volume II to see if any change is required. If so, write me and I shall include the change in Volume III.

Best regards,

Dear Cousin:

Enclosed is the typed draft of your family entry for the Supplement we are writing to the Merwin Family in North America. Since we are starting to prepare the final manuscript for the printer, please review the enclosure carefully for accuracy. Make any needed correction on the enclosure and return it to the writer.

Some entries lack interesting information on the family head. For example, where he/she attended school, year graduated, degrees earned (name of school and city of location); occupation and employer; military service (dates, grade or rank, branch of service); civic or church service. We will be pleased to include information of this type which you furnish.

Your reply must be received by the writer by September 30, 1982, or we shall assume your entry is satisfactory as drafted.

Sincerely yours,

Merwyn

The Miles Merwin (1623-1697) Association, Inc. is preparing a supplement to The Merwin Family in North America which was published in 1978.

Errors are made in all family genealogies and despite our best efforts, we realize that ours contains some faults. Although the main purpose of the planned supplement is to carry the published work to the eleventh, twelfth and thirteenth generations, we shall include a section for corrections of and additions to the first ten generations.

Accordingly, we ask you to review the genealogy of your line and, using the enclosed form, give us any revision you find necessary. Please send your reply to:

Dear Merwyn,

Thank you for your letter.... I admire all your work! As you can see from Grayson's birthdate, he is quite a few years older than I am! No, he does not have a middle name.

I grew up in Westbury N.Y. + graduated from Westbury High School in ~~1968~~ 1964. I went on for a B.S. in Elementary Education at the State University of N.Y. at Geneseo. (1964-68) I taught 1st grade for 2 years in Westbury, N.Y. (1968-70) and then applied to teach with the Department of Defense. I taught one year (1970-71) at Clark Air Base in the Philippines and six years (1971-77) in Germany. After teaching four months (Oct. '77 - Jan. '78) in Leavenworth, Kansas, I married Grayson Merrill in Beaufort, S.C. We cruised on a Newporter for

1½ years in Florida + the Bahamas before we settled down in San Diego, California to raise our son, John Arthur.... who's doing FANTASTICALLY well ☺! (He was 10lbs. 2oz. at birth... he's going to be a linesman for the San Diego Chargers!)

Sincerely,
Jane A. Merrill

Grayson graduated from the Naval Academy at Annapolis in 1934. The enclosed ~~pho~~ pamphlet will fill in the rest of the details.

Peter Island Yacht Club

seminar for prospective top managers

It is generally thought, in management practice, that the most important functions of a company's chief executive are planning and the development of key executives. All too often he is so caught up in solving day-to-day problems that these functions are neglected and the company eventually suffers.

Peter Island Yacht Club now offers a one week program where he and his key executives can detach themselves from the incessant demands of company operations long enough to examine these questions: 'Where are we going?' and 'Are we using the best management techniques for getting there?'

summary

This brochure describes a management training program offered by Peter Island Yacht Club to individual businessmen, companies and institutions to assist promising middle managers in qualifying for top management positions. It can stand alone as a broad, pragmatic review of the accepted principles of management or be augmented by a company-directed seminar applying these principles to the company's own operations.

The training program presumes that six (6) to fifteen (15) selected executives will reside at Peter Island for at least five (5) working days, with seminars usually commencing the first and third Mondays of each month. Training activities are scheduled in the forenoons, leaving the afternoons and evenings available to enjoy our superb recreational and social facilities.

the general seminar program

Seminars will be held from 0930 am to 1145 am on Monday through Friday. The method of instruction follows the practice of the Harvard Business School and The American Management Association. The first hour will comprise a lecture and discussion of assigned reading in MANAGING A DEFENSE COMPANY*. This text book was authored by our seminar director and is sufficiently broad to cover business in general, despite its defense orientation. The subjects to be taught are: management objectives and constraints, planning, organizing, communications, motivating, controlling, decision-making and self-management. After a coffee break, the second hour will be devoted to group discussion of a case history related to the subject of the day. Students may retain the instructional material furnished.

Students should have some familiarity with business practices. They may be specialists such as accountants, engineers, lawyers and so on but must genuinely seek advancement to broader top management positions in their trade or business.

In order to stimulate an interplay of ideas and viewpoints in general seminar discussions, up to 15 students in total will be accepted from several companies. By controlling bookings we will do our best to keep the size of each class between 6 and 15. If less than 6 students report for a class they will be given the option to continue or to withdraw and receive a refund of fee.

Special exclusive seminars can be arranged for a company sponsoring at least 6 students. If desired, the 5 day program can encompass a weekend or holiday, thus minimizing the working day absences of key executives from the company.

qualifications of general seminar director

~~Our Seminar Director,~~ BORN JAN. 1, 1912, Grayson Merrill, has experienced two successful careers. During 28 years of service as an aviator in the US Navy he edited/authored 13 books on the subject of guided missiles and managed the technical development of POLARIS (in which the PERT management system was pioneered.) Retiring as a Captain in 1957, he entered the electronics industry. In the years 1963-69, as President of PRD Electronics, Inc, he led that company from a moribund annual dollar sales volume of two plus millions to a profitable sixty millions. In other words he has proved that what he teaches works.

During his management careers Grayson became interested in management theory and, in particular, the separation of the pragmatic from the ethereal. He studied at Harvard University and in the American Management Association. The distillation of his judgements is found in his book MANAGING A DEFENSE COMPANY, published in 1972. In 1973 Grayson taught a course, under the auspices of Hofstra University which closely resembles this program. The Institute of Electrical and Electronic Engineers recognized his achievements by electing him a Fellow – its highest grade.

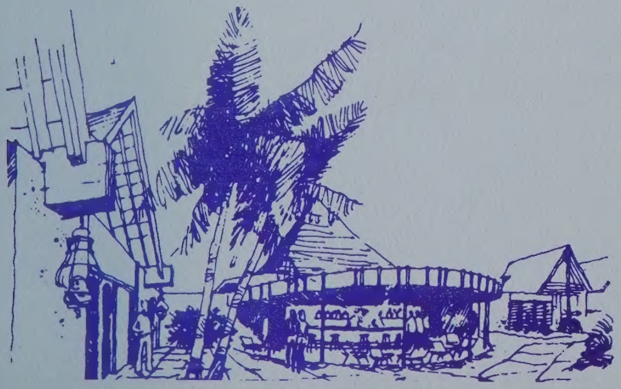
optional company complementary program

Any sponsoring company may conduct an exclusive complementary program in the afternoons for its students. Experience has shown that the relaxed environment at Peter Island and the detachment from day-to-day operating problems are conducive to such operations as long range planning, conceptualizing of new products or services, forumulating of sales campaigns and organization development.

tax considerations

The laws of the United States wisely encourage taxpayers to maintain and improve their skills in their present employment, or trade or business, by making the expenses therefore tax deductible. This includes fees, travel, meals and lodging while away from home, but not incidental personal activities. An important factor in determining whether a particular trip is primarially personal or primarially to obtain qualifying education is the relative amount of time devoted to personal as compared with educational activities. We believe our General Seminar Program, if conscientiously persued, meets these criteria. For example, a diligent student will require over four hours of preparation and classroom work each of five working days in the week.

You will realize, of course, that Peter Island cannot assume any responsibility for proving tax deductibility in individual cases, other than furnishing customary receipts. If in doubt it is suggested that you consult a tax authority.



seminar rates

Rates include accommodation in luxurious air-conditioned cottage rooms with private bath, three delicious meals daily, a welcome drink, weekly barbeques, use of tennis court, beach boats, horseback riding, games room, outdoor swimming pool, slide show, travelogue, frequent music for dancing and entertainment and round trip transfer between Beef Island Airport, Tortola and Peter Island by car and boat.

Dear Mr. Buchanan:

I am not sure if I reported the birth of John Arthur Merrill last Aug. In checking I found these papers to be filled out & I hope it is not too late to send these to you!

The marriage date of my daughter, Jane, was listed as Feb. 4, 1978 instead of Feb. 14. I do not know Grayson's mother's maiden name – or Philip Martelli's mother's name before it was Martelli!

I hope it is not too late for these to be in the Supplement and I would like to get a copy of the Supplement when it is off the press.

Thank you.

Dear Mrs. Anthonsen:

Thank you for the information you sent me on the revisions sheet.

Enclosed are family record sheets showing the data you gave me on your children and their families. You'll note some missing data that we'll need to enter your childrens' families in Volume II. I'm sorry to say I can only enter your children and their families in Vol. II if they - your children become members of the association. The rule I must follow is that Merwin descendants not born with the name Merwin may be included only if they are members. But if they are members, they and their children may be shown if full.

You may still obtain a copy of MFNA by sending a check for $39.00 payable to the Connecticut Historical Society to:

Mr. Gaius W. Merwin
96 N. Mountain Ave.
Montclair NJ 07042

Your children, if they wish to join, may send a check for $2.00 each payable to the Miles Merwin Assn to the same address.

Be sure to include the awaited grandchild. I envy you.

Sincerely,
Merwyn

As you are probably aware, the M erwin genealogy which is currently being prepared for publication will list only those persons whose surnames are Merwin. Thus, a married female Merwin will be shown together with information about her husband and children, but there that line will end.

There is one exception to this rule which I believe applies to you and me. We may include, in a footnote, the direct line of descent of a dues-paying member of the Miles Merwin Association from a female Merwin ancestor. (I'm a "footnote" Merwin since I am descended from my great-grandmother, Mrs. Fannie (Merwin) Suydam.)

Although you may have already furnished this information to the association, I would appreciate your filling out the enclosed form and returning it to me. That way, the information will be concise and current. Only forms returned to me by November 15, 1977 will be included in the genealogy since we are rapidly completing the manuscript.

Send the forms to:

I do not know who was the last female ~~relative~~ merwin. My grandmother was married to Theodore Merwin (Clarinda) from Hensonville N.Y. They had 3 sons, (Herbert, David & Prentice) & 1 daughter Mina - of Hensonville, N.Y. My father was Prentice Burdette Merwin - Rochester, N.Y. 14625 & he died in May 1973. There are no other Merwin daughters - only 2 sons Wm Hancox & John Flint. My mother is May Hancox Merwin.

I have no idea of who my great grandmother was so the only female Merwin I know about was Mina Merwin Van Loan. I am not really descended from her but that is the ~~closest~~ only information I have of a "female Merwin"!

Dear Cousin:

As you may know, we are in the process of updating family entries with the view to preparing Volume III of The Merwin Family in North America.

All members of the Association of the eleventh generation will have an opportunity to update their family entry and have the update included in Volume III. This includes the names and birth dates of your children. If, however, your children wish to have their wife and children in Volume III, they must become members of the Association. Will you please check with each of your children and, if they are interested in having their families in Volume III, ask them to send me a check for $10 payable to Miles Merwin Assn. for annual dues. I shall then contact them for information.

Please look at you entry in Volume II to see if any change is required. If so, write me and I shall include the change in Volume III.

Best regards,

Merwyn R. Buchanan
Genealogist

Dear Mr Buchanan:-

Replying to your letter of Oct 30, 81

I did have the date of Anna Morgan- birth as you will find on the sheet, but I could not find anything on Florence Eva Merwin and I did check with Hunter Town Clerk. I am sending you Timothy Hylan address I found out he and Jay Morgan both live in Mass and if you write Timothy he I am sure would get in touch with Jay and I hope you can get some information from both of them. Hope I have helped a little if you have any questions just write me.

With Best wishes for a Happy Holiday Season.

Dear Mrs. Merwin:

For some time now, I have been trying to get some information on one Florence Eva Merwin who was born in Hunter and whose daughter Anna Morgan married Arthur James Hylan who, I believe, is now living in Hunter.

Enclosed is a draft of Florence Eva Merwin's entry showing what information is missing. Also enclosed is a copy of my letter of July 8, 1981, to Mr. Hylan. Do you, by any chance, know these people? If so, will you please contact them and see if you can get the data I need? Do you know Jay Morgan?

Any help you may give me will be most appreciated.

Best regards,
Merwyn

Dear Mr. Hylan:

We are writing a Supplement to The Merwin Family in North America (published 1978) in which your family was mentioned.

I note you have two sons Timothy + Michael. May I have their addresses so I may give them an opportunity to include their families in the Supplement?

Also, I'm enclosing a record sheet on your family. The only missing item is the full date of birth of your wife Anna. Could you give me that?

Best regards,

Merwyn

Dear Friend,

I have been doing some work for people who have the same last name as you do. Finally, after months of work, my new book, THE AMAZING STORY OF THE MERWINS IN AMERICA, is ready for printing and you are in it.

The Merwin name is very rare and my research has shown that less than one one-thousandth of one percent of the people in America share the Merwin name. I have spent months of work and thousands of dollars to research through 70 million families and I have located almost every Merwin family in the United States. My new book includes this valuable and extensive directory of Merwins living in America.

In addition to the Merwin family directory, my book has other interesting and informative chapters on:

1. How the Merwin family got its name and what it means.
2. Important but little known facts about the Merwin population in the United States.
3. Why and how the first Merwin was granted his Coat of Arms.
4. An expert interpretation and drawing of the Merwin Coat of Arms which ancient archives reveal is over 600 years old.
5. How to search for your ancestry and trace your family tree using the unique Merwin directory.

This collection of historical and current information is available in THE AMAZING STORY OF THE MERWINS IN AMERICA. Due to the uniqueness of the Merwin name, and the very limited edition of this book, it is economically impossible to produce extra copies after the regularly scheduled publishing date. THERE WILL BE ONLY ONE EDITION OF THIS BOOK.

I believe this is the only book of its kind in the entire world and you will want to have your own copy for you and for your children. Each book is literally hand made to order and will be serially numbered, registered in the owner's name and accompanied by a Certificate of Authenticity. The book is also hard bound with a beautiful burgundy grained finish and gold embossed.

Since this is the only time that this book will be offered, it is certain to be quite rare. There is a strict limit of one (1) book per household and the number of books produced will be officially determined by the number of qualified orders postmarked prior to August 18, 1982.

Sincerely,

Sharon Taylor

Dear Cousin Mervyn:—

Sorry to be this late in furnishing the update of my entry for the supplement.

Since I was not sure how you might want the information presented, have simply listed the major facts and would appreciate it greatly if you would feel free to rearrange or condense whatever parts you may deem interesting and delete whatever is unnecessary. Please excuse the pencil copy. Had intended to have it typed up but just was not able to.

Am enclosing a notice received recently from a Ms. Taylor on a perhaps similar project on our family name.

Respectfully

Dear Mrs. Merwin:

Warren Merwin told me on the phone last night that he had forwarded to you my request for information about your family. As you know, we need this for the supplement to The Merwin Family in North America.

He also said you might be interested in obtaining a copy of that book. Accordingly, I'm enclosing an order form to use if you wish.

Your assistance is much appreciated.

Sincerely,

Merwyn

Dear Cousin:

As you may know, we are in the process of updating family entries with the view to preparing Volume III of The Merwin Family in North America.

All members of the Association of the eleventh generation will have an opportunity to update their family entry and have the update included in Volume III. This includes the names and birth dates of your children. If, however, your children wish to have their wife and children in Volume III, they must become members of the Association. Will you please check with each of your children and, if they are interested in having their families in Volume III, ask them to send me a check for $10 payable to Miles Merwin Assn. for annual dues. I shall then contact them for information.

Please look at you entry in Volume II to see if any change is required. If so, write me and I shall include the change in Volume III.

Best regards,

Merwyn R. Buchanan

Dear Mr. Buchanan, 4316

I am one of three grandchildren of the late Byron Marwin from Connecticut (New Haven, Bridgeport and Fairfield).

This past year I designed and published the enclosed book as a labor of love for family and friends. I had asked my mother, Elizabeth Marwin Carr, to share with me her memories of his story of early childhood – I knew it had been unusual.

Time passed and I listened to the tape recording of our talk and I decided that it belonged "out in the world".

Here is a copy for your library archives.

Sincerely,
Carolyn Sidley Carr

Dear Ruth:

Many thanks for the family record sheets for your children and yourself.

There are just a couple items I need.

1) where (city + state) where you born.

2) I'd like to have a brief biography of you and your husband. (Schools attended, occupations, employers, church, civic or military service, etc.)

We are rewriting the entire chapter #10 (10th generation so Byron's name will be corrected in the rewrite.

I thoroughly enjoy the reunions. If you haven't been, you're missing it. Hope you'll come this year.

Sincerely,

Merwyn

Dear Gertrude:

Betty and I were sorry to learn of your father's passing from an obituary Mrs. Huprich sent me. Enclosed is a note I'll include in the August Milestones. If you wish to make any change in it, send it along.

Mrs. Huprich also tells me she read an obit of a Harry Merwin who died in August 1981. Who was he? Could he be your father's brother Harry Chester Merwin? Please give me some details about his death – date, place, etc. if he *is* your uncle.

Enclosed is a copy of your family entry as it appears in the Merwin Family in North America and a family record sheet for your daughter Rosy.

Will you please give me any needed change in your entry since this will be rewritten for the Supplement to MFNA we are working on now. I'd like to enter the exact date of your marriage and the place (city + state) where Albert was born. I'd also like to include a brief biography of you and Albert.

Will you please ask Rosy to complete her record sheet + return it to me?

Rec'd 3/10/81

Your name shows in MFNA as a person who gave us much information on your family and I'm hoping you'll help me now with the Supplement.

Best regards,

Merwyn

Dear Gertrude:

Thank you for your family record sheet. You have given me all of the vital statistics about you and your husband – these are quite complete.

I would still like to include a brief biography of you and your husband – where you went to school; degrees earned, occupations, employers; civic, church or military service, etc. Whatever you wish to include. This sort of thing adds so much interest to genealogical statistics. However, if you do not care to give this kind of information, just let me know and I'll consider your entry complete as is.

Dear Claudia:

As you know, we are writing Volume III of The Merwin Family in North America.

I am trying to make certain that all Merwins I can locate are in the book. According to our records, your brother was unmarried in 1983 when Volume II was published. Is he still unmarried? May I plee se have his current address?

Is you father well? I remember visiting his at your aunt’s house in 1982.

Dear Leonard:

It was great to get your recent letter with information about your family.

Enclosed is a rough draft of your entry. You'll notice we still need the place (city + state) where you were married.

I have written Larry to get the blank in his record completed.

Because Linden has children, he will be shown in the 11th generation chapter with his family. I have written him for a couple details.

Could you give me the present address of your brother Claude Elliott Merwin? I'd like to get information on his family.

Gaius Merwin forwarded your dues notice to me. I found it a bit puzzling. You indicated that your name should be deleted and statements and mailings for M/M Mitchell Hettinger should be sent to you.

I take from this that we should change the address on the Hettinger's file to Star Route 328, Westkill, NY 12492 and drop your name from our rolls. Is that correct? I will not make any change in our records until I hear from you.

Whenever your name comes up in my work for the Association, I think of the time my wife and I toured the Catskills locating Merwins. We met you at that time. We enjoyed that trip a great deal. Never met a Merwin I didn't like.

Hope you and yours are well.

Dear Walter:

It was nice talking to you on the phone the other day.

I received the details about your family which you sent in with your dues. A record of Vera's passing has been set up in the Volume III manuscript of MFNA.

Enclosed is a copy of a letter I wrote to Lucille (and I wrote the same letter to Winifred). As I expressed to both of them, I can not include them in Vol. III unless they join the Association. We shall see what reply I get.

Incidentally, please give my best to Vera's sister, Gertrude. My wife and I visited her in 1981 while searching for Merwins to put in Vol. II. She was very nice to my wife and me.

Thank you for all the data about your daughters and their families.

There are just a couple of remaining points.

1) where were you married? (City + state.)
2) what is your husband's middle name?
3) we would like a brief biography of your husband and yourself.

Best regards,

The Miles Merwin (1623-1697) Association, Inc. is preparing a supplement to The Merwin Family in North America which was published in 1978.

Errors are made in all family genealogies and despite our best efforts, we realize that ours contains some faults. Although the main purpose of the planned supplement is to carry the published work to the eleventh, twelfth and thirteenth generations, we shall include a section for corrections of and additions to the first ten generations.

Accordingly, we ask you to review the genealogy of your line and, using the enclosed form, give us any revision you find necessary. Please send your reply to:

Dear Mrs. Cervola:

Your mother gave me information about you and your family for inclusion in the Supplement to the *Merwin Family in North America*. From that data, I have prepared the enclosed draft of your family entry. Will you please give me:

1) the middle name of each of your children + your husband's middle name — if he has one.

2) a brief biography of your husband + yourself.

Since you were not born with the surname Merwin, you must be a member of our association to be included in the supplement. Dues are a mere $2.00 per year. Please send me a check payable to Miles Merwin Assn. We would be pleased to have your family as members. The $2.00 covers your whole gang!

Dear Mrs. Merwin:

Perhaps you can give me some help with Donald's parents' entry in MFNA. It is incomplete.

Is Donald Perry Merwin now living in Jewett? What is his address? Can you give me the full date in 1937 when he married? What is the full date and place of birth of his wife Lillian? What was the full name of Lillian's father? --- mother (including maiden name)?

My wife and I visited Leonard & June Merwin, Gertrude Chamberlain, Claude Merwin & Joseph Sherman Merwin in the Catskills last week-end but we just couldn't locate everyone. We had a nice time meeting our cousins.

I'm looking forward to receiving your husband's and your biography to finish your entry.

Best regards,

Merwyn

Dear Mrs. Merwin:

Thank you for completing the family record sheet. It was quite complete.

You will be hearing from Gaius Merwin shortly. He will give you information about purchasing a copy of MFNA. When we are close to publishing the supplement, all members of the association will be sent information as to how to purchase Volume II. Which brings me to a question. How about joining our association and help us serve Merwins? The dues are only $2.00 a year for you, your husband and all unmarried children. Send me a check payable to Miles Merwin Assn.

Would you give me a short biography of you and your husband?. Schools attended, degrees, occupations, civic or church activities, etc.

Enclosed is a family record sheet on Don's parents. Could you fill in the missing info (encircled items). I would appreciate it.

Sincerely,

Merwyn

Dear Cousin:

As you may know, we are preparing a supplement to the _Kerwin Family in North America_.

Enclosed are family record sheets on your family and, where applicable, sheets for each of your married children. We would ask you to review these sheets for accuracy and give us any needed correction or addition.

We especially need your married childrens' complete address so that we may write and ask them to become members of our association. This is necessary to include the family of any person not born with the Kerwin surname.

Your assistance is much appreciated.

Dear Mr. Buchanan —

Reference to the above — I did not hear from my brother Neil last year — Last word was a X-mas card in Dec 1978. He was born in Minco, Okla in July 1914 — otherwise statistics are the same as mine — If I hear from him this coming Christmas I will let you know.

Sincerely

Lee S. Merwin
